
ROBOTICS
WORKING GROUP REPORT

Chairman, Alan Furman

Attendees:

N. Cossitt, A. Sheel, T. Hand, J. Walker, B. Bowman,
D. Howarth, M. Perry, B. Hughes, R. Rier, D. Thompson.

Two robot vendors employing Forth were represented: International Robomation/Intelligence and Control Automation. Forth is, generally, deliberately not made available to the user.

Forth is involved in applications, products, and research projects at TAK Automation, SRI International, Palo Alto Va Hospital, Wright State University, Elicon, National Bureau of Standards, Tencor Instruments, and the University of Waterloo.
